Registration Name of the puppy (which still requires finalization by AKC) –

Breed – Golden Retriever Gender – M or F

I (Printed Buyers Name), _____,

hereby certify that on: Day: _____ Month: _____ Year _____, I (we) purchased the above-noted dog from 2K Kennels (Sharon & Kayla Flemetis)

Holding Agreement: A \$200.00 deposit is required to hold your puppy. The seller assigns the buyer the guarantee that the dog will not be sold to any party other than the buyer as long as the buyer adheres to the Picking Up Your Puppy guideline. The \$200.00 deposit is non-refundable and will be applied to the purchase price of the dog when the buyer assumes physical possession of the assigned dog. You may send a personal check, money order, or cash. Remainder of puppy price will need to be paid in full before puppies are released to their new home. Puppies may be picked up at 2K Kennels at 8 weeks of age only after full payment has been received.

Guarantee: This puppy is guaranteed to be in good health, to the best of the seller's knowledge. If he/she wishes, the buyer has 72 hours, from the date of ownership in which to have the puppy checked by a licensed veterinarian. **IF THERE IS A PROBLEM THAT CANNOT BE RECTIFIED**, you may return the puppy to us, at your expense, on the day following the vet exam, along with a veterinarian's statement stating the problem. You will receive a full refund of the purchase price of the pup. (Exclusion: This does not include the presence of parasites and also does not apply to a health problem resulting from an injury or accident due to your negligence), the following provisions will be honored. **All medical expenses are the sole responsibility of the buyer.**

Viral, bacterial colds or infections such as Coccidia or Giardia (bloody stools) are a form of worms which are easily treated and are not covered in the health guarantee as they are natural things puppies can pick up. Umbilical Hernias also referred to as "outie" belly buttons are also not covered in the health guarantee. Puppies are naturally at risk for coccidia or giardia or worms which is often brought on by the stress of a new home, new food, new people, or just a change in environment.

Another thing that may show up when a puppy is taken to a new environment is kennel cough (Bordatella- a raspy cough may be signs of this) which is common when puppies are transported to their new homes and is usually caused by bacteria. Kennel cough is self limiting and like the common cold, it must run its course. Full recovery is expected and kennel cough, coccidia, giardia on their own are not life threatening. All puppies are treated and vaccinated for distemper, parvo, coccidia, giardia, and worms before they leave our kennel. However, you need to be aware that these things can arise and that they are usually not serious (even though seeing blood in the stool appears serious)

and are easily treated and we will not cover the treatment for them.

****2 Year Hip Guarantee** against genetic moderate or severe hip dysplasia, and retinal eye disease. Because 60% of all canine hip dysplasia is related to poor nutrition, we require that your precious puppy continue with the Life's Abundance Nutritional System for the first 26 months of his/her life in order to qualify for this 2 year health guarantee. Remember, an ounce of prevention is worth a pound of cure! If you continue with Life's Abundance Nutritional System for the first 26 months, this dog is guaranteed against genetic moderate or severe hip dysplasia, and retinal eye disease until it is 26 months of age. The OFA is the sole and only judge in determining hip dysplasia. A CERF certified veterinarian must confirm any hereditary eye defects. Purchaser is to spay or neuter (unless already done) the Golden Retriever and keep him/her as a companion. Limited ACK Registration Puppy Contract Details below will apply.

The buyer(s) shall provide proper nutrition, vet care, shelter and exercise. The pup shall be socialized properly after all immunizations given, to include other people outside the family, other dogs, and strange places. Obedience classes are recommended before the pup is 1yr old. Please call with any questions, we want to help you.

*****10 YEAR Free Replacement Puppy.** Because we believe so strongly that nutrition plays a very big part in the health of an animal, we are offering a *10 Year Free Replacement Puppy Guarantee. Should you choose this, the 10 year guarantee stipulates that the puppy must be fed Life's Abundance Nutritional System & Agility Formula for their entire 10 years. The Agility Formula must be given starting when the puppy is 6 months old. The reason we have chosen to offer this option to our guarantee, is because so many dogs and cats are acquiring serious life threatening health risks through poor diet and vitamin deficiency. We believe that these products provide the optimum nutritional benefits ensuring good health and longevity for the dog, which is why we are willing to stand behind this guarantee. If your Golden Retriever does not reach it's life expectancy of 10 years, you will be eligible to get a free replacement puppy of equal value.

In regards to hereditary defects, there are never any guarantees that a dog would be free of a genetic disorder from past generations. But since we may not know if there are any potential weaknesses in a dog, we believe that the diet and lack of vitamins can exacerbate these conditions if found. Therefore by providing the dog with quality food and supplements, we are hoping to reduce the chance of these potential weaknesses from hindering their quality of life, should this ever occur.

10Year Free Replacement Puppy Information: - this guarantee does not include the vet check, CERF exam, shots, worming, transportation, carrier, or other fees. This 10 yr free Replacement Puppy Health Guarantee is for the health of your Golden Retriever, and does not cover accidental death, neglect, abuse, or injuries that your dog may sustain while being a part of your family.
